

## “As we have prayed,

discussed and planned over the last year, we believe a renewed vision is coming into focus – a plan for thriving, sustainable ministry that we’re calling Forward – because that’s our gospel reality in Young Life; As a mission, we’re uniting around four mission strategies to get us to the next kid in the coming five years (2017-2022). We invite you to partner with us in service through, prayer, volunteering or supporting all our ministry efforts throughout this movement”
