The Impact

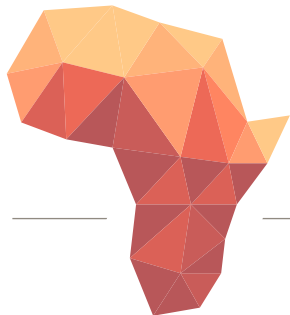

KENYA

We were warmly welcomed at the camp and it was a pleasure being in that place. The camp was so nice and lovely with all the fun and laughter, we were taught so many things concerning God which made me feel extra special in the eyes of God because of all he had to do for me to save me from sin.

Day Camp Testimony

"The camp was so amazing that I wish there was another one so that I can attend. I learned so much at camp that will help me in my life; things like forgiveness and being close to God. I really thank God for Young Life." - James

Day Camp Testimony

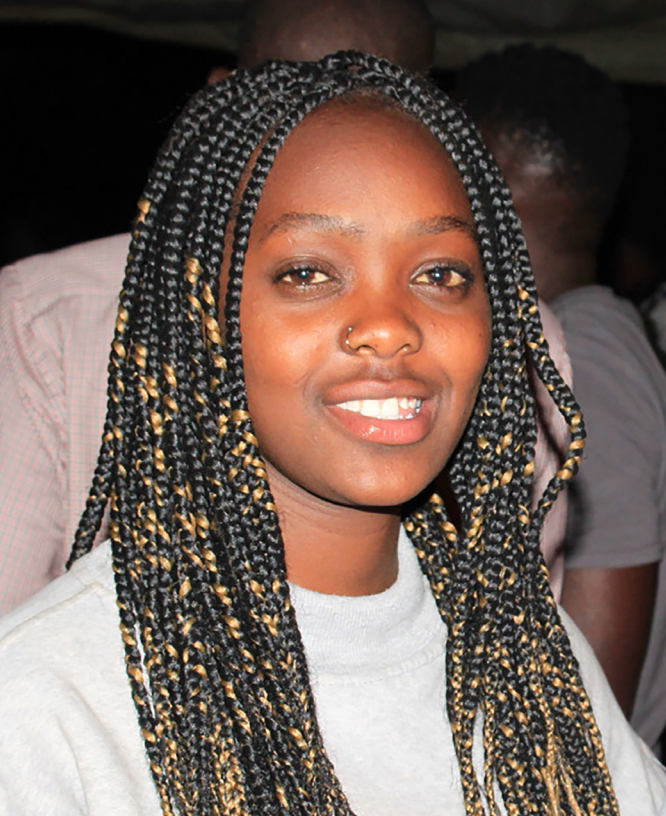

"This was my first time at a Young Life camp and I can say it was extraordinarily awesome. I was wonderfully welcomed and felt right at home. At camp I learned a number of great things - things which I wouldn't have known if I had not attended the camp.

It was grace upon grace.

I have received Jesus Christ through experience and teachings from my leader and I now know my destiny. I accept Jesus Christ as my Lord and Savior."

- Patricia
