Helpful Phone Calls

Gabriel, a Young Life leader, first met Alberto at club in 2019. At 17 years old, Alberto was filled with anxiety and often depressed. During the pandemic, Gabriel and Alberto began talking on the phone and Alberto shared his fear, including the fear of death that was tormenting him. Gabriel realized Alberto needed to hear the good news and immediately shared the gospel, making it clear that Christ is our hope! They prayed and Alberto accepted Jesus as his Lord and Savior. They began having weekly Bible study together and Alberto started to read scripture daily. He is free!

Growing in Faith and Leadership

Angela joined the leadership team in 2020 full of the desire to learn. This year she began to feel the nudge to disciple someone, but didn't feel ready. Her leader, Daria, began to encourage and train her and after a few weeks, Daria challenged Angela to prepare a study for a group of girls.

Angela courageously gathered the girls she was doing contact work with and started to encourage them with God's word and talk about what it means to follow Jesus. Together they are all growing in their walk with Christ and taking steps of faith!
