

## **SIGN UP**

Go to [kilichallenge.younglife.org](http://kilichallenge.younglife.org) and scroll down on the page to click on your region.

Scroll down on the region page and click on the blue **“Fundraise For This Cause”** link to set up your personal fundraising page.

Follow these steps to personalize your page:

1. Set your fundraising goal. \$600 U.S. dollars fills a cabin. You can adjust this goal up or down, but we are asking that everyone set a goal!
2. Add to “Tell Your Story” and edit your “Thank You Message” to let people know why you’re participating in the Kili Challenge and how they can support or join you. Here is example text for the “Tell Your Story” portion:

*As part of the Young Life Malawi/Zambia regional team, I am excited to support this incredible ministry! My personal goal is to walk 38 miles and raise \$1,200 over the course of 10 days. This will send two cabins full of teenagers and their leaders to Young Life camps in Malawi and Zambia.*

*Will you join me and help make an eternal impact by giving a one-time donation to meet this goal? Just click “Give Now”- it only takes 30 seconds. Thank you for joining me!*

3. Upload a profile photo and other ministry photos!
4. No need to add a video - the Kili Challenge video will automatically be added to your page.
5. Click the blue “Create Your Page” button and then confirm it by clicking on the link to your email.

For questions or help with setting up your page, reach out to Alyssa Alderman - [aalderman@younglife.org](mailto:aalderman@younglife.org) or +1 303-819-0461

## **SHARE & INVITE PEOPLE TO GIVE**

As soon as your page is set up, start sharing it with others via the sharing links on your page or by copying/pasting your page link into an email, text or on social media. Invite people to join you either by walking and/or giving.
