## Good News from the East

### Ministry acceleration in South Sudan and Sudan

South Sudan and Sudan celebrates new leaders who have joined the ministry. Martin Wamalwa, vice president Africa East, met and trained Young Life Leaders from Wau and Juba in South Sudan and Khartoum in Sudan, which are new frontiers for Africa. Seventeen leaders attended the training and learned how to do contact work, run clubs, deliver club messages, and to run Campaigner sessions. The team held fun filled club sessions at Block 9 club, Tent of Meeting Club, and Juba-Nabari club where they shared the love and joy of our Jesus with teens.

Leaders concluded the training with a hike to Jabel Yesu Mountain (Mountain of Jesus), where they prayed for leadership commitment and ministry growth in these two countries. The new leaders are eager and excited to go and reach the next kid!

**“This is the day that the Lord has made; we will rejoice and be glad in it.”**
