

Muhoza's Story - Rwanda

My name is Muhoza Anitha, and I grew up with very humble family that prayed often. Though my family prayed, I never felt the same way as them, and honestly, I grew up feeling uninterested in God. I saw prayer as a religious routine and something that we were supposed to do as a family. This was my mindset until I heard the message given at Young Life today. I now have the desire to have a relationship with God! Please pray for me, I feel like I might have disappointed my family for ignoring God's voice. I am sure that He has called me so many times but now I am accepting His invitation. May the Lord be with me in my decision today.

Join us in prayer

Tanzania: We are thankful to have hosted Hands-On Training for the first time in Tanzania. We thank God for protection, safety, and knowledge. Pray for the new posts in Tanzania, Veronica Makwaya who will be the country coordinator for *YoungLives*, and Evalyne who is the national women's coordinator. Please pray for Rose, a leader who lost her newborn baby on Monday.

Rwanda: We recently had our Festivals (Day Camps). Please pray for all the kids who gave their lives to Christ and the leaders committed to following up with them. Pray for Patrick who came back from HOT to be able to catch up with his studies.

Mozambique: We are asking God for new places where we can have clubs. We are also praying that our partnership with the Acacone association can facilitate our entry into new schools.

Zimbabwe: Pray for an economic breakthrough in Zimbabwe as there is a renewed rise in inflation affecting our volunteers and staff financially.

South Africa: Pray for camps that are happening this month.

DRC: We had our first DGL Conference in Bukavu! Pray for our team leader Tulizo Germaine from Uvira who is unwell and hospitalized. Pray for the new leaders of Bunia and that this ministry brings peace and ethnic reconciliation to Bunia.

Burundi: The parliament voted a law requiring that all the leaders of Christian associations have a University degree in theology. Pray for opportunities for leaders to go to theology schools with solid doctrine so that this law does not become an obstacle.

Malawi: We are having an Area Directors meeting at the end of the month, where we will be praying for the country, the things God has helped us through this year, and the forecast for the rest of the year including camps at the end of July.

Zambia: We are praying for the Lord to help us fulfill His vision for teens in Zambia. Pray for committed volunteer leaders as well.

Eswatini: Pray for the smooth progress of the upcoming leader trainings, and camps.
